

Dear glerups fan, MANY THANKS for your order.

We hope you enjoy your new pair of slippers. Over the years we have found the perfect mix of wool to give your glerups a long life. We use Gotland wool from Denmark with ZQ Lambswool from New Zealand, all of which lives up to the highest standards for uniform quality and animal welfare.

Your glerups can be worn all year round. The wool keeps you warm in the cold and cool in the heat – exactly as it does on the sheep. Pampering you, your feet and nature.

Please share your experiences with us #myglerups #glerups.

Happy greetings
Team glerups – our passion is felt.
